

# NOMINATIONS COMMITTEE: EXPRESSION OF INTEREST

Is God calling you to share your gifts by serving on a committee or task group within the Bay of Quinte Conference? The Nominations Committee requests that people submit an expression of interest for specific positions that are available within the Conference. The Nominations Committee, through a process of discernment, seeks to select the person who is best suited to fill the position at this time. Opportunities to serve are listed on the conference website, as well as included in regular Conference mailings. If you feel called to serve, please complete the following. Attach a page if you like.
