

Faith and Art

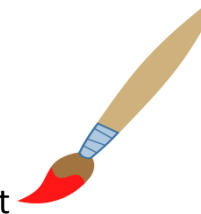

Are you a visual thinker? Do you find that a diagram or picture helps you understand things better? Do you like art, either to do art yourself, or to look at what others have done? Are you a person seeking to deepen your faith and practice?

If you answered yes to any of these questions, or if you are merely curious, you are invited to a faith and art experience on Thursday, February 8, 1:00pm to 4:00pm at Grace United Church. We will be working with the Bible readings for the season of Lent. Bring your art supplies with you, or if you don't have any, they can be supplied. There is no cost to attend, but please let us know if you are coming, so we can prepare properly.
