

# ALGONQUIN PARK OUTREACH MINISTRY

For over twenty years, since the days of the NPR (Northern Pastoral Region) ministry, Bay of Quinte Conference has had a summer outreach ministry in Algonquin Park. For the months of July and August, we provide weekly trailer accommodation in the park at a cost of \$100 to a clergy person, couple, or family in exchange for emergency pastoral care as required and the provision of a Sunday worship service. Weekly offerings collected at each service have provided a small income. Originally part of the NPR job description, this ministry is now part of the work of the Conference Rural Life Committee.

Are you a clergy willing to take part covering one of the weeks still available in July?
